EXCITING NEWS!

Comtex is Expanding

After months of talk & negotiation, Comtex Technologies is pleased to announce the purchase of a Birmingham company with a customer base of 2000 + business clients along with their experienced sales, service, and admin staff. Effective October 1st, 2015, Comtex has purchased and merged all assets with SouthEastern Telephones, Inc. established in 1983. President, Ty Glassford, states "With this merger, Comtex will have a statewide presence and service capability. We have not only tripled our customer base, we now have quadrupled our service foot print with a new affiliated company along the Florida panhandle to the Mississippi coast with SouthTel, owned and operated by Curtis Cantrell. 2015 has been the best year in revenue for Comtex since the nineties and with this acquisition, Comtex is positioned to have its best year ever in 2016. God has blessed our efforts and hard work, and we are grateful. TYL ". Birmingham clients include, Wettermark Keith, Birmingham Zoo, Brooklere Pharmacies, Marvins Building Supply (29 sites), Cullman County Commission, Mountain Brook Club, Rime Companies, MedJetAssist, and more than 2000 others.
